

Bellingham Youth Ultimate Individual Scholarship Application

This is the form that should be used for **individual youth players** who are applying for full or partial scholarships to cover the fees for Bellingham Youth Ultimate (BhamYU) camps. Any person – the player, a parent/guardian, relative, friend, teacher – may apply for a scholarship on behalf of a player.

The following factors are considered in the scholarship decision-making process:

- **Financial need.** Financial need is the most important factor affecting the strength of a scholarship application. Applications that do not demonstrate financial need are typically not considered. An applicant's personal statement explaining the financial hardship is the primary indicator of financial need considered by the Scholarship Committee. As long as applicants continue to use this process respectfully, we will continue to require no other "official" documentation of financial need for individual scholarships.
- **Time of application.** Unless otherwise stated on the event webpage, scholarships will be awarded on a first-come, first-served basis.

Please complete all requested information below and email to info@bellingshamyouthultimate.org at least 2 weeks prior to the date the event fee is due. If you do not have access to email, you may mail the application to the following address:
